

Twos Lesson Plan

Season: Spring

Unit: Up In the Clouds

Week: 1

Skill Area	Monday	Tuesday	Wednesday	Thursday	Friday
AM Language & Literacy	<u>Little Cloud</u> by: Eric Carle	<u>Clifford and the Big Storm</u> by: Norman Bridwell	<u>The Cloud Book</u> by: Tomie DePaola	<u>It Looked Like Spilt Milk</u> by: Charles Shaw	<u>Clouds</u> by: Marion Dane Bauer
Manipulatives & Math	How Many Clouds Up in the Sky? obj: to match cotton balls to corresponding numerals	Blue, Grey and White Clouds obj: to create color patterns	Sky Sorting obj: to sort objects seen in the sky	Counting Clouds obj: to explore the concepts of adding & subtracting using cotton balls	Measuring Temperature obj: to explore thermometers using water
AM Creations & Colors	Torn Cotton Clouds obj: to practice tearing and gluing skills	Thunder Bolt Art obj: to create a two step art project using aluminum foil and bubble wrap	Cotton Ball Clouds obj: to practice eye hand coordination using cotton balls, paper and glue	Paint and Press obj: to create and identify shapes using white paint pressed on paper	Cloud Painting obj: to use white paper, shaving cream and glue to create clouds
Skill Building	Cloud Snacks obj: to take part in a group activity using marshmallow fluff and pretzel sticks	Making Thunder obj: to use a paper bag in a unique way	Rainbow Collage obj: to work together as a class to create a collage	In the Sky I see... obj: to use creative thought to complete a sentence	What Temperature Is It? obj: to discuss temperature using a variety of pictures
Word Calendar	white	storm	rainbow	cloud	gray
PM Language & Literacy	<u>Oh Say Can You Say What's the Weather Today?</u> by: Tish Rabe	<u>Shapes In the Sky</u> by: Josepha Sherman	<u>Fluffy, Flat and Wet</u> by: Dana Meachen Rau	<u>Clouds</u> by: Anne Rockwell	<u>The Wind Blew</u> by: Pat Hutchins
PM Creations & Colors	Blue Skies With Clouds obj: to create a sky using blue paint and white materials	Stars Up In the Sky! obj: to use fine motor skills to create unique sky pictures	Rain Clouds obj: to mix and create new colors while using eye droppers and water	Watercolor Skies obj: to create using water, paint and paper	Coffee Filter Umbrellas obj: to use a familiar item in a unique way
Music & Movement	"The Clouds in the Sky" obj: to sing a song in a group	"I'm a Little Cloud" obj: to learn new words to a familiar song	"The Clouds are Passing By" obj: to learn a new song	Rain Cloud Rhyme obj: to learn repetition through a song	"Cloudy" obj: to follow rhythm in a simple song
Sensory & Science	Colored Shaving Cream obj: to explore texture and color using hands, shaving cream and food coloring	Making Fog obj: to learn cause and effect by using water and ice cubes	It Feels and Looks Like... obj: to use sense of touch when describing clouds	Blowing Clouds obj: to use straws and cotton balls to observe cause and effect	Cornstarch and Water Clouds obj: to create clouds while experimenting with corn starch and water
Foundations & Family	<ol style="list-style-type: none"> 1. Use a paper towel roll to look up in the sky. Describe what you see! 2. Identify shapes you can see up in the sky! 				

Twos Lesson Plan

Season: Spring

Unit: St Patrick's Day

Week: 2

Skill Area	Monday	Tuesday	Wednesday	Thursday	Friday
AM Language & Literacy	<u>St Patrick's Day Countdown</u> by: Salina Yoon	<u>The Lost Shamrock</u> by: Alison Inches	<u>The Luckiest Leprechaun</u> by: Justine Korman	<u>St Patrick's Day in the Morning</u> by: Eve Bunting	<u>The Night Before St. Patrick's Day</u> by: Natasha Wing
Manipulatives & Math	Numbers Countdown obj: to explore the concept of counting backwards	Shamrock Counting obj: to practice counting shamrock shapes from 1-10	Lucky Charm Find obj: to locate missing clovers in a pile	Gold Coins obj: to practice counting skills using gold coins	Clover Count obj: to count shaped objects
AM Creations & Colors	Leprechaun Paper Plate Mask obj: to use everyday materials in a new way	Shamrock Wreaths obj: to explore cutting and pasting	Leprechaun Hats obj: to create by using bowls, paint and glitter	Paper Bag Leprechauns obj: to create leprechauns using yarn, construction paper and paper bags	Clover Sponge Painting obj: to create using paint and shaped sponges
Skill Building	Where is My Pot of Gold? obj: to search for and find hidden objects	Shamrock Color Sorting obj: to sort objects according to color	Can You Find Green Things? obj: to identify colors while playing a game	Make Green! obj: to mix two colors to create a new one	Clover Puzzles obj: to put pieces together to create a whole
Word Calendar	gold	shamrock	green	leprechaun	calendar
PM Language & Literacy	<u>St Patrick's Day</u> by: Brenda Haugen	<u>St Patrick's Day</u> by: Anne Rockwell	<u>St Patrick's Day</u> by: Carmen Bredeson	<u>Jack and the Leprechaun</u> by: Ivan Robertson	<u>It's St Patrick's Day, Dear Dragon</u> by: Margaret Hillert
PM Creations & Colors	Rainbow Hats obj: to use the colors of the rainbow to create hats	Textured Paintings obj: to explore textures while painting with cut green peppers	Rainbow Fingerpaint obj: to create pictures using fingerpaint and fingers	Leprechaun Footprints obj: to use a body part in a unique way	Green Dragon obj: to complete a project using one color
Music & Movement	"Eensy, Weensy Leprechaun" obj: to sing a new song in a large group	How Many Leprechauns? obj: to explore rhythm while singing a counting song	"I'm A Little Leprechaun" obj: to learn new words to a familiar tune	"Five Little Leprechauns" obj: to coordinate hand and finger motions	"Five Wee Leprechauns" obj: to learn the words to a new song
Sensory & Science	Green Playdough Fun! obj: to use fine motor skills to create	Leprechaun Shakes obj: to explore measurement while mixing ingredients	Follow the Leprechaun obj: to follow directions and participate in a group activity	Kool-Aid Fun! obj: to observe and discuss changes	Green Snacks obj: to explore and describe a food color and textures
Foundations & Family	1 Point out green objects at home! 2 Experiment with color...mix colors to create new colors!				

Twos Lesson Plan

Season: Spring

Unit: Wild West

Week: 3

Skill Area	Monday	Tuesday	Wednesday	Thursday	Friday
AM Language & Literacy	<u>Armadillo Rodeo</u> by: Jan Brett	<u>Cowboy Small</u> by: Lois Lenski	<u>Cowboy Up!</u> by: Larry Dane Brimmer	<u>Cowboy Roy</u> by: Kathy East Duboski	<u>A Wild Cowboy</u> by: Dana Kessimakis
Manipulatives & Math	Rope Measuring obj: to measure feet, legs and arms using rope	Cowboy Boot Match obj: to match boots based on like characteristics	Fruit Loop Round Up Sorting obj: to create patterns using an edible item	Bandana Color Match obj: to classify according to colors	Estimation Jar: Horses obj: to explore the concept of estimation
AM Creations & Colors	Lasso Painting obj: to paint using yarn or rope	My Foot obj: to increase fine motor skills while tracing and cutting	Cowboy Hat obj: to explore tearing, cutting and pasting while creating a cowboy hat	Bandana Blindfold Painting obj: to create a painting without using the sense of sight	Horseshoe Prints obj: to use textured brushes and create designs
Skill Building	At My Ranch I Would Grow... obj: to express self through art and words	Big, Bigger, Biggest obj: to arrange paper cut or real boots according to size	Cowboy Memory obj: to practice memory and matching skills while playing a group game	Where's the Bandana? obj: to search for hidden objects while playing a group game	If I Lived in the Wild West, I Would... obj: to use imagination while role playing
Word Calendar	lasso	boot	cowboy	saddle	horse
PM Language & Literacy	<u>Cactus Annie</u> by: Melanie Williamson	<u>Sixteen Cows</u> by: Lisa Wheeler	<u>Cowboys Dreams</u> by: Dayal Kaur Khalsa	<u>The Zebra- Riding Cowboy</u> by: Angela Shelf Medearis	<u>B is for Buckaroo</u> by: Louise Doak Whitney
PM Creations & Colors	Prickly Cactus Art obj: to use uncooked pasta to complete a project	Thumb Print Cows obj: to use fine motor skills while creating art	Sand Art obj: to create using glue, sand and paper	My Horse obj: to create a drawing using crayons and paper	Cowboy Vest obj: to use materials creatively to create wearable art
Music & Movement	"I'm A Cactus" obj: to learn new words to a familiar tune	Barn Freeze Dance obj: to use gross motor skills in a group game	"Oh, I Wish I Was A Cowboy" obj: to sing a song using rhyme and repetition	"The Little Cowboy Song" obj: to learn the words to a new song	"Little Cowpoke" obj: to learn and recite words to a new song
Sensory & Science	What's that Texture? obj: to explore food items that are smooth and rough	Desert Sand obj: to use hands, sand and foil to create sand dunes	Sand Sculptures obj: to model with playdough that has been mixed with sand	Panning For Gold obj: to practice scooping and sifting at the sensory table	Hay Exploration obj: to use senses to explore new textures and smells
Foundations & Family	<ol style="list-style-type: none"> 1. Play in the sand. Explore and talk about the texture! 2. Visit a farm and look for horses, cows and more! 				

Twos Lesson Plan

Season: Spring

Unit: The Works of Audrey Wood

Week: 4

Skill Area	Monday	Tuesday	Wednesday	Thursday	Friday
AM Language & Literacy	<u>The Napping House</u> by: Audrey Wood	<u>The Little Mouse, The Red Ripe Strawberry and The Big Hungry Bear</u> by: Audrey & Don Wood	<u>Quick as a Cricket</u> by: Audrey Wood	<u>Silly Sally</u> by: Audrey Wood	<u>Oh My Baby Bear</u> by: Audrey Wood
Manipulatives & Math	Asleep, Awake, Asleep obj: to create, copy and extend patterns while making observations	Basket Prints obj: to practice counting from 1 to 5 while making prints	How Many Bugs? obj: to explore the concept of estimation	Where is Silly Sally? obj: to recall and sequence events in a story	Bear Sorting obj: to classify bears by size
AM Creations & Colors	Bed Collage obj: to create using textured materials	Strawberry Paintings obj: to use easel paper and red paint to create	Grass Paintings obj: to create paintings using grass as a painting tool	My Silly Sally obj: to demonstrate creativity while using various textured materials	Bear Puppets obj: to make a bear puppet using paper bags and other materials
Skill Building	It's Nap Time! obj: to take part in dramatic play in a group	Tasting Berries obj: to participate in a tasting activity using the five senses	Where is the Cricket? obj: to use and explore position words	Silly Me obj: to express and identify emotions	Little Bear is Lost! obj: to locate a missing object in our environment while using descriptive words
Word Calendar	bed	strawberry	cricket	smile	bear
PM Language & Literacy	<u>A Dog Needs a Bone</u> by: Audrey Wood	<u>The Little Mouse, the Red Ripe Strawberry and the Big Hungry Bear</u> by: Audrey & Don Wood	<u>Piggies</u> by: Audrey Wood	<u>Ten Little Fish</u> by: Audrey Wood	<u>The Deep Blue Sea</u> by: Audrey wood
PM Creations & Colors	Bone Prints obj: to create by pressing real dog bones in paint	Mouse Paper Plates obj: to use paint, plates and glue to create paper mice	Pigs in Mud obj: to use fingerpaint, precut shapes and paper plates to create pigs	Fish in the Sea obj: to use construction paper and streamers to create a class collage	Water Color Painting obj: to create using watercolors at the easel
Music & Movement	"Lazy Mary" obj: to learn repetition through a song	"Pop Goes the Berries" obj: to learn new words to a familiar tune	"This Little Pig" obj: to learn a new fingerplay while mimicking actions	Silly Sally Parade! obj: to participate in a group activity while following directions	"Can You Guess the Color" obj: to learn the words to a new song
Sensory & Science	How long is the Bone? obj: to search for hidden dog bones in the sensory table	Mouse Hunt obj: to conduct a scavenger hunt to locate a missing object	Piggies in the Mud obj: to explore cause and effect using soil and water in sensory table	Blue Water Fun! obj: to mix paint with water and observe changes	Down By the Sea obj: to experiment with objects that float or sink
Foundations & Family	1 Choose one of your favorite Audrey Wood books, read it, and then retell you the story with your child. 2 Take advantage of Audrey Wood's website and print out fun activities!				

Twos Lesson Plan

Season: Spring

Unit: In the Garden

Week: 5

Skill Area	Monday	Tuesday	Wednesday	Thursday	Friday
AM Language & Literacy	<u>Planting a Rainbow</u> by: Lois Ehlert	<u>In the Garden With Van Gogh</u> by: Julie Merberg & Suzanne Bober	<u>What's in My Garden?</u> by: Cheryl Christian	<u>The Tiny Seed</u> by: Eric Carle	<u>Eating the Alphabet: Fruits & Vegetables From A-Z</u> by: Lois Ehlert
Manipulatives & Math	Color Match obj: to sort and match objects based on color	Seed Shapes! obj: to create shapes using seeds	Lima Bean Counting obj: to practice counting beans from 1 to 10	How Many Seeds in the Jar? obj: to explore the concept of estimation	How Many Seeds Does Your Fruit or Vegetable Have? obj: to explore counting skills using real items
AM Creations & Colors	Tissue Rainbows obj: to explore color names while creating a tissue paper rainbow	My Plant or Flower obj: to draw plant images using paper and crayons or markers	Paper Garden obj: to tear and glue construction paper to create a paper garden	Paper Plate Sunflower obj: to use paint and seeds to create a sunflower image	Finger Painting With Apple Sauce obj: to use textured materials during art
Skill Building	Glitter Rainbow Painting obj: to create a large group painting	Flower Puzzles obj: to practice fine motor skills by creating a complete picture	Growing Grass obj: to plant grass and make first observations	My Name in Seeds obj: to recognize letters in first name	Fruit & Vegetable Salad obj: to group like items together
Word Calendar	rake	garden	sun	seed	fruit
PM Language & Literacy	<u>From Seed to Plant</u> by: Gail Gibbons	<u>The Very Hungry Caterpillar</u> by: Eric Carle	<u>The Carrot Seed</u> by: Ruth Krauss	<u>In My Garden</u> by: Ward Shumaker	<u>I'm A Seed</u> by: Jean Marzollo
PM Creations & Colors	Plants in a Pot obj: to use plastic cups and grass to create art	Egg Carton Caterpillar obj: to use an every day item in a unique way	Carrot Art obj: to create using a carrot as a painting tool	Foot Flower obj: to use a body part as an art tool	Seed Art obj: to create using seeds and glue
Music & Movement	"Planting Time" obj: to learn a new song	"I'll Plant a Little Seed" obj: to learn new words to a familiar tune	A Little Sun obj: to follow directions stated in a fingerplay	"The Seeds Grow" obj: to sing the words to a song while participating a s member in a group	"Seeds" obj: to recite new words to a familiar song
Sensory & Science	Seeds in Soil obj: to dig and discover seeds hidden in soil	Worm Garden obj: to use gummy worms in pudding to create trails	I Like My Carrots With.. obj: to conduct a taste testing using familiar ingredients	Outdoor Garden obj: to explore using hands and garden tools	The Sun... obj: to participate in a group discussion
Foundations & Family	<p>1 Plant seeds, begin to make observations, talk about what changes you will see. 2 Get your gardening tools out and see if you can name three!</p>				

Twos Lesson Plan

Season: Spring

Unit: Birds & Butterflies

Week: 6

Skill Area	Monday	Tuesday	Wednesday	Thursday	Friday
AM Language & Literacy	<u>Baby Bird</u> by: Joyce Dunbar and Russell Ayto	<u>The Ugly Duckling</u> by: Patricia Jensen	<u>Little Penguin's Tale</u> by: Audrey Wood	<u>A Mother for Choco</u> by: Keiko Kasza	<u>Angelina and the Butterfly</u> by: Katharine Holabird, Sally-Ann Lever
Manipulatives & Math	Eggs in the Nest obj: to match using one to one correspondence	Match the Eggs obj: to match according to color	Penguin Math obj: to explore simple math using penguin counters	Bird Tracks obj: to create a tracks using fingers	Butterfly Match obj: to match butterflies based on patterns of wings
AM Creations & Colors	Feather Fun! obj: to create using feathers and glue	My Ugly Duckling obj: to create using a variety of materials	Penguin Art obj: to create using penguin colors, such as black, white and orange	Egg Roll Prints obj: to create using paint, paper and plastic eggs	My Butterfly Press obj: to create by folding paint in paper and adding craft stick bodies
Skill Building	Feather Patterns obj: to create, copy and extend patterns using textured materials	Bird Memory Game obj: to practice matching and memory skills while playing a small group game	Penguin Walk obj: to simulate the movement of a penguin	Birds and Eggs Memory Game obj: to participate in a small group while playing a memory game	Catching Butterflies obj: to simulate catching butterflies using feathers and nets
Word Calendar	feather	beak	wing	egg	butterfly
PM Language & Literacy	<u>Little Owl</u> by: Piers Harper	<u>Who Says Quack?</u> by: Jerry Smith	<u>Butterflies</u> by: Melvin and Gilda Berger	<u>Eggs and Chicks</u> by: Fiona Patchett	<u>Caterpillar Spring Butterfly Summer</u> by: Susan Hood
PM Creations & Colors	Paper Plate owls obj: to practice fine motor skills	"b" Collage obj: to create a group collage using magazine clippings	Coffee Filter Butterflies obj: to create butterflies using eye droppers, colored water and coffee filters	Painting With Feathers obj: to use a textured item as an art tool	Hand Print Butterflies obj: to make prints by pressing hand in paint
Music & Movement	"Owl Song" obj: to learn the words to a new song	Duck, Duck Goose obj: to participate in a group game	Flutter, Flutter, Butterfly obj: to learn a new fingerplay	Egg on a Spoon obj: to practice coordination skills while balancing an egg on a spoon across the room	Butterflies In Flight obj: to explore rhyming through a song
Sensory & Science	Feathers & Water obj: to make predictions and observations	Textures in the Feely Box obj: to explore and identify textures in the feely box	From Caterpillar to Butterfly obj: to observe, discuss and sequence the changes of a caterpillar	What's Inside the Egg? obj: to make predictions and observations using a real egg	Butterfly Observations obj: to use descriptive words while exploring with magnifying glasses
Foundations & Family	1 Dig for worms, talk about the foods that birds eat! 2 Go for a walk and search for birds, butterflies, caterpillars, cocoons, and much more.				

Twos Lesson Plan

Season: Spring

Unit: Insects and Spiders

Week: 7

Skill Area	Monday	Tuesday	Wednesday	Thursday	Friday
AM Language & Literacy	<u>The Very Hungry Caterpillar</u> by Eric Carle	<u>The Very Grouchy Ladybug</u> by Eric Carle	<u>The Very Busy Spider</u> by Eric Carle	<u>The Very Lonely Firefly</u> by Eric Carle	<u>Ants In Your Pants</u> by Sue Heap
Manipulatives & Math	Caterpillar Color Sorting obj: to classify objects by color	Ladybug Spots obj: to explore numerals while counting from 1 to 10	How Many Legs On A Spider? obj: to practice one to one correspondence using pipe cleaners and pre cut spiders	Firefly Patterning obj: to create, copy and extend patterns	Ants in the Estimation Jar obj: to guess, count and explore estimation
AM Creations & Colors	Cup Print Caterpillars obj: to create prints using paint and plastic cups	Grouchy Ladybug Paper Plates obj: to create a ladybug using paper plates, glue and paper	Spider Prints obj: to create prints using black paint and yarn	Fireflies in the Dark obj: to create using yellow stickers and black construction paper	Thumb Print Ants obj: to create using a body part and paint
Skill Building	Hungry Caterpillar Collage obj: to create a collage using magazine pictures, paper and glue	Cracker Bugs obj: to make a bug using food items	Spiders Are... obj: to participate in a large group discussion	Bugs on a Log obj: to create edible art using celery, cream cheese and cheerios	Ants in Sand obj: to work together to find an object
Word Calendar	cocoon	ladybug	web	firefly	ant
PM Language & Literacy	<u>The Poly-Poly Spider</u> by Jill Sardegna	<u>Ten Little Ladybugs</u> by Melanie Gerth	<u>Miss Spider's tea Party</u> by David Kirk	<u>The Very Quiet Cricket</u> by Eric Carle	<u>I Like Bugs</u> by Margaret Brown
PM Creations & Colors	Styrofoam Spiders obj: to create using styrofoam and pipe cleaners	BugStamping obj: to use stamp pads, hands and fingers to create a bug	Spider Masks obj: to create using construction paper, glitter and glue	Wet Chalk Drawings obj: to explore familiar materials in a new way	Flying Bugs obj: to create pictures of bugs using crayons and markers
Music & Movement	"Tommy's Pet Spider" obj: to learn the words to a new tune	"Five Little Ladybugs" obj: to learn the words to a new fingerplay	"I'm A Little Spider" obj: to sing along to a new song	"The Little Cricket" obj: to learn a new fingerplay and incorporate hand movements	"The Spider" obj: to learn new words to a familiar song
Sensory & Science	Toilet Paper Webs obj: to create and explore webs using a roll of toilet paper	Big and Small obj: to sort items based on size	Spiders in the Sand obj: to explore spiders in sand using hands and fingers in the sensory table	Shadows & Light obj: to explore light and shadows using a flashlight	Magnified Bugs obj: to explore using a new tool
Foundations & Family	1 Look at bugs...compare their size to yours! 2 Role play or act like a bug...can you guess what bug I am?				

Twos Lesson Plan

Season: Spring

Unit: The Earth

Week: 8

Skill Area	Monday	Tuesday	Wednesday	Thursday	Friday
AM Language & Literacy	<u>The Earth Book</u> by: Todd Parr	<u>All the Colors of the Earth</u> by: Sheila Hamanaka	<u>Clifford's Spring Clean Up</u> by: Norman Bridwell	<u>And the Good Brown Earth</u> by: Kathy Henderson	<u>It's Earth Day</u> by: Mercer Mayer
Manipulatives & Math	Tree Counting obj: to practice one to one correspondence	Earth and Moon Patterns obj: to explore patterning skills	Clean Up Game obj: to practice grouping similar objects together	How Many in the Earth Jar? obj: to explore the concept of estimation using pebbles	Counting Earth Stickers obj: to practice counting skills from 1 to 15
AM Creations & Colors	Grass Paintings obj: to create using grass and paint	The Earth obj: to create using tissue paper and glue	Can Prints obj: to practice eye hand coordination skills	Earth Hands and Feet obj: to use body parts to create a picture	Easel Earth Paintings obj: to use an easel and paint to create
Skill Building	Trunk and Leaves obj: to explore position words using bark and leaves	Uppercase E and Lowercase e obj: to distinguish while practicing letter recognition	Can Sorting obj: to classify objects by color	Shaving Cream Earth obj: to explore colored shaving cream	Letters in Soil obj: to find objects hidden in soil
Word Calendar	earth	planets	can	recycle	soil
PM Language & Literacy	<u>Children of the Earth...Remember</u> by: Schim Schimmel	<u>I am Planet Earth</u> by: Jean Marzollo	<u>Planet Earth Gets Well</u> by: Madeline Kaplan	<u>Our Planet Earth</u> by: Giovanni Caviezel	<u>Earth Day: An Alphabet Book</u> by: Gary Kowalski
PM Creations & Colors	Sand Art obj: create while explore a new texture	Earth Collages obj: to use paints, glue and collage materials to create	Newspaper Art obj: to exercise fine motor skills using crumpled newspaper in paint	Recycled Paper Towel Painting obj: to use a paper towel roll and paint to create	Earth Mural obj: to use blue and green paints while participating as a member of a group
Music & Movement	"Blue Light, Green Light" Game obj: to play a game as a large group	"Sun, Sun, Earth" Game obj: to follow directions in a familiar game	"Clean Up" Song obj: to sing a song in a group	Newspaper Toss Game obj: to practice throwing skills using crumpled paper	"Recycling" Song obj: to learn the words to a new song
Sensory & Science	Outdoor Exploration obj: to participate in a group activity while taking a walk	Feely Box obj: to use only the sense of touch to recognize objects	Recycled Can Sounds obj: to explore sounds using pebbles, sand, rice and beans	Blue and Green Water in the Sensory Table obj: to explore new colors in the sensory table	Dirt and Gummy Worms obj: to explore a new food and texture
Foundations & Family	<ol style="list-style-type: none"> 1. Practice mixing colors...what happens when you mix green and blue together? Do you create a new color? 2. Practice your building skills; use blocks to build an animal home...snap a picture of it and bring it in to share with the class! 				

Twos Lesson Plan

Season: Spring

Unit: In Outer Space

Week: 9

Skill Area	Monday	Tuesday	Wednesday	Thursday	Friday
AM Language & Literacy	<u>What's Out There?</u> by: Lynn Wilson	<u>Roaring Rockets</u> by: Tony Mitton and Ant Parker	<u>Me and My Place in Space</u> by: Joan Sweeney	<u>Our Stars</u> by: Anne Rockwell	<u>On the Moon</u> by: Anna Milbourne, Laura Fearn
Manipulatives & Math	Counting the Planets obj: to count from 1 to 10	Rocket Sorting obj: to classify objects by color	Cotton Ball Jar obj: to explore the concept of estimation	Stars in Outer Space obj: to practice one to one correspondence	Marshmallow Patterns obj: to practice patterning skills using big and small marshmallows
AM Creations & Colors	Finger-Painting Space obj: to use fingers and paints to create	K'nex Prints obj: to use K'nex blocks as a painting tool	Cotton Ball Clouds obj: to practice eye-hand coordination skills while gluing	My Own Constellation obj: to create using glue, pipe cleaners and paper to create	Marshmallow Prints obj: to use marshmallows and paint to create
Skill Building	Spray Bottle Space obj: to use spray bottles and paints to create	Rockets in Shaving Cream obj: to explore a new texture	Colored Cotton Balls obj: to explore food coloring and cotton balls while dipping	Shape Puzzles obj: to practice matching skills with shape puzzles	Marshmallow Creations obj: to explore marshmallows and glue
Word Calendar	telescope	rocket	astronaut	star	moon
PM Language & Literacy	<u>There's No Place Like Space</u> by: Tish Rabe and Aristides Ruiz	<u>Curious George and the Rocket</u> by: H. A. Rey	<u>I Want to Be an Astronaut</u> by: Byron Barton	<u>The Sun is My Favorite Star</u> by: Frank Asch	<u>Goodnight Moon</u> by: Margaret Wise Brown
PM Creations & Colors	"My Space" Picture obj: to use aluminum foil and glue to create	Rocket Art obj: to practice scissors skills while creating a rocket	Astronaut Hat obj: to create using magazine cut outs, glue and paint to create	Making Stars obj: to create a star while practicing cutting, tearing and gluing skills	Black and White Art obj: to use black paper, sponges and white paint to create
Music & Movement	"I Spy" Game obj: to follow directions in a game	"Were Flying" obj: to repeat the words to a new song	"Space Action" Song obj: to coordinate movements to a song	"Twinkle, Twinkle, Little Star" Song obj: to repeat a familiar tune	"Mr. Moon" Song obj: to sing a song in class
Sensory & Science	Flashlight Fun! obj: to make observations and discuss changes in light	Launching Rockets obj: to explore cause and effect while flying paper rockets	Astronaut March obj: to use hats while marching in a parade	Textured Stars obj: to explore sand, glue and stars	Moon Rocks obj: to explore a new material
Foundations & Family	<ol style="list-style-type: none"> 1. Talk about things that can only be done during the day and activities that can only be done at night ...what can you come up with? 2. Practice "dot a dot" drawings...create a rocket, a moon, a star, the planet Earth and more! 				

Twos Lesson Plan

Season: Spring

Unit: Bears

Week: 10

Skill Area	Monday	Tuesday	Wednesday	Thursday	Friday
AM Language & Literacy	<u>A Pocket for Corduroy</u> by: Don Freeman	<u>Brown Bear, Brown Bear</u> by: Eric Carle	<u>The Little Mouse, the Red Ripe Strawberry and the Big Hungry Bear</u> by: Don and Audrey Wood	<u>Busy Bears</u> by: Sigrid Leberer	<u>Bear's New Friend</u> by: Karma Wilson
Manipulatives & Math	Button Matching Game obj: to practice matching skills	Patterning Bears obj: to explore, create and extend patterns	Teddy Graham Counting obj: to practice counting skills	Bear Counters Jar obj: to explore the concept of estimation	Bears and Honey Matching obj: to practice number recognition using bears and numbered honey pots
AM Creations & Colors	Cocoa Powder Bears obj: to draw with fingers in a scented texture	My Bear obj: to use small paintbrushes and paint to practice painting skills	Honeycomb Art obj: to use honeycombs and glue to create	Chalk Bears obj: to use chalk while creating	Honey Painting obj: to use honey as a painting tool
Skill Building	A Bear Story obj: to create a class story	Playdough Bears obj: to strengthen fine motor skills while exploring playdough	Food Collages obj: to create art using a pair of scissors and magazine pictures	Bear Puzzles obj: to practice eye-hand coordination skills with puzzles	Honey Letters obj: to use honey and construction paper to create letters
Word Calendar	bear	brown	paws	claws	honey
PM Language & Literacy	<u>Bear Shadow</u> by: Frank Asch	<u>Polar Bear, Polar Bear, What Do you Hear?</u> by: Eric Carle	<u>Goldilocks and the Three Bears</u> by: Jan Brett	<u>We're Going on a Bear Hunt!</u> by: Michael Rosen	<u>Bear Wants More</u> by: Karma Wilson
PM Creations & Colors	Bear Prints obj: to create prints using classroom toys	String Bears obj: to use string and paint to create	Coffee Bears obj: to use coffee filters, glue and coffee to create bear images	Painting with Fur obj: to explore the texture of fur while painting	Paw Prints obj: to use sponges and paint to create
Music & Movement	Teddy Bear, Teddy Bear obj: to explore rhythm in the words we sing	"The Bear Went Over the Mountain" obj: to learn the words to a new song	The Three Little Bears Story obj: to practice role-playing skills	"1 Little, 2 Little, 3 Little Bears" Song obj: to coordinate movements to a song	Teddy Bear Says Game obj: to play a game as a large group
Sensory & Science	Pass the Teddy Game obj: to use the sense of hearing while playing a game	Wild Animals and Pets obj: to discover the differences between animals	Small, Medium, Large obj: to explore the concept of size	We're Going on a Bear Hunt! obj: to search for hidden items inside the classroom	Caves obj: to explore new environments while crawling
Foundations & Family	<ol style="list-style-type: none"> Hide a number of plastic bears under a blanket, take some away and have your child guess how many are missing. B is for Bear...practice writing and recognizing the letter "B". 				

Twos Lesson Plan

Season: Spring

Unit: At the Zoo

Week: 11

Skill Area	Monday	Tuesday	Wednesday	Thursday	Friday
AM Language & Literacy	<u>1,2,3 to the Zoo!</u> by: Eric Carle	<u>The Silly Tail Book</u> by: Marc Brown	<u>Ten Tall Giraffes</u> by: Brian Moses	<u>Dear Zoo</u> by: Rod Campbell	<u>Corduroy at the Zoo</u> by: Don Freeman
Manipulatives & Math	Wild Animal Jar obj: to explore the concept of estimation	Monkey Number Game obj: to practice number recognition by matching monkeys to numbers in trees	How Many Tall? How Many Short? obj: to practice sorting and grouping according to size	My Favorite Zoo Animal Graph obj: to compare similarities and differences	Animal Cracker Counting obj: to practice counting skills
AM Creations & Colors	Animals on the Easel obj: to paint using plastic animals on the easel	Monkey Tails obj: to use string and glue to create	Clothes Pin Giraffe obj: to use clothes pins, paper and markers to create	Zoo Mural obj: to use paint and zoo cookie cutters to create	Zoo Headbands obj: to use paper, markers and stickers to create
Skill Building	Animals in a Line obj: to practice position words using animals	Animal Lacing Cards obj: to practice eye-hand coordination skills by using lacing cards and string	Thumbprint Giraffe obj: to use a body part to create	Building a Zoo obj: to use blocks to practice building and cooperation skills	Playdough Animals obj: to use hands to explore playdough
Word Calendar	zoo	monkey	giraffe	lion	zookeeper
PM Language & Literacy	<u>Curious George Visits the Zoo</u> by: H. A. Rey	<u>One Little Monkey</u> by: Stephanie Calmenson	<u>The Loudest Roar</u> by: Thomas Taylor	<u>Zoo Do's and Don'ts</u> by: Todd Parr	<u>Put Me in the Zoo</u> by: Robert Lopshire
PM Creations & Colors	Big Eyed Animals obj: to use googly eyes and markers to create	Paper Plate Monkey Face obj: to use paint, construction paper and paper plates to create a monkey image	Lion Mask obj: to use paper, yarn and glue to create a mask	Zoo Train obj: to use shapes, glue and markers to create	Sponge Painted Spots obj: to use sponges and paint to create
Music & Movement	"The Animals at the Zoo" obj: to learn the words to a new song	"Five Little Monkeys" obj: to sing a song as a class	Zookeeper Says Game obj: to play a game as a class	Animal Freeze Dance obj: to coordinate movements to music	Animal Cracker Charades obj: to move like animals using animal crackers
Sensory & Science	Animals Wet, Animals Dry obj: to explore soap, bubbles and animals in the sensory table	Banana Bites obj: to use sense of taste to try a new food	Loud vs. Soft obj: to use voices to create different sounds	Zoo Babies and Mothers obj: to pair baby animals with adult animals	Zoo Animals and Rice obj: to find hidden animals inside the sensory table filled with rice
Foundations & Family	<ol style="list-style-type: none"> When visiting the grocery store, find foods that zoo animals would eat. Discuss which animal would eat what kind of food. Use drawing tools to draw a picture of your favorite zoo animal. Bring it to school to share with the rest of the class! 				

Twos Lesson Plan

Season: Spring

Unit: Sports

Week: 12

Skill Area	Monday	Tuesday	Wednesday	Thursday	Friday
AM Language & Literacy	<u>My Basketball Book</u> by: Gail Gibbons	<u>My Football Book</u> by: Gail Gibbons	<u>Home Run! My Baseball Book</u> by: David Diehl	<u>My Soccer Book</u> by: Gail Gibbons	<u>Sports A to Z</u> by: David Diehl
Manipulatives & Math	Basketball Sorting obj: to sort colors into groups	Counting Footballs obj: to practice counting 1-10	Baseball and Bat Matching obj: to practice matching skills based on size	Black or White? obj: to practice sorting items into groups by color	Ball Patterns obj: to practice patterning skills using different sports balls
AM Creations & Colors	Basketball Prints obj: to use a basketball and paints to create	Laces Art obj: to use laces, paint and paper to create	My Baseball Cap obj: to use a variety of materials to create	Soccer Ball obj: to use a pair of scissors to practice cutting skills	Sole Rubbings obj: to use shoes, crayons and paper to create a unique pattern
Skill Building	Tall, Taller, Tallest obj: to explore measuring height with a measuring tape	Football Lacing Cards obj: to practice lacing skills using football prints and strings	Baseball Toss obj: to practice tossing skills using paper baseballs	Soccer Ball Puzzles obj: to create a whole using a variety of pieces	Bowling Fun! obj: to coordinate movements to play a group game
Word Calendar	basketball	football	baseball	soccer	shoe
PM Language & Literacy	<u>Slam Dunk! My Basketball Book</u> by: David Diehl	<u>Touchdown! My Football Book</u> by: David Diehl	<u>Baseball 1 2 3</u> by: DK Publishing	<u>Goal! My Soccer Book</u> by: David Diehl	<u>Clifford's Sports Day</u> by: Norman Bridwell
PM Creations & Colors	Torn Paper Basketballs obj: to practice tearing and gluing skills	Oval Prints obj: to practice printing and pressing skills using football cut outs, paints and paper	Baseball Art obj: to use baseballs and paints to create	Soccer Cleat Prints obj: to use soccer cleats to create prints	My Favorite Sports Drawing obj: to use markers and crayons to create
Music & Movement	Shoot that Ball! obj: to practice throwing skills with a basketball	Pass the Football! obj: to play a group game using a football and music	"Take Me Out to the Ballgame" obj: to learn the words to a new song	1...2...3.. Kick! obj: to practice kicking skills using a soccer ball	Relay Races obj: to use gross motor skills to play a game
Sensory & Science	How High Does It Bounce? obj: to explore how high a ball will bounce	Grass in the Sensory Table obj: to explore grass using magnifying glasses	Hard and Soft obj: to explore textures using different types of balls	Where's the Net? obj: to search for hidden items using a sifter and sand	Exercise Time! obj: to use gross motor skills by exercising to music
Foundations & Family	<ol style="list-style-type: none"> 1. Create an obstacle course inside or outside of your home...have a family fun sports day! 2. Practice coordination skills...kick, throw, hit or catch a ball! 				

Twos Lesson Plan

Season: Spring

Unit: Splish, Splash, Splosh

Week: 13

Skill Area	Monday	Tuesday	Wednesday	Thursday	Friday
AM Language & Literacy	<u>A Fish Out of Water</u> by: Helen Palmer	<u>The Water Hole</u> by: Graeme Base	<u>Splash!</u> by: Ann Jonas	<u>Splish, Splash!</u> by: Sarah Weeks	<u>Splish, Splash, Splosh, Time to Wash!</u> by: Julie Sykes
Manipulatives & Math	Big, Bigger, Biggest obj: to sort objects according to size	How Deep is That Hole? obj: to use a ruler as a measurement tool	Plastic Boats in the Estimation Jar obj: to explore the concept of estimation	Counting Rain Drops obj: to count drops of water using wax paper and eyedroppers	How Many Cups? obj: to explore the concept of estimation using a liquid
AM Creations & Colors	Bubble Wrap Fish Prints obj: to use bubble wrap, paint and paper to create a textured image of a fish	Torn Paper Creations obj: to use construction paper, glue and tearing skills to create	Splash Art obj: to use water and sponges in an outdoor art activity	Bucket Prints obj: to use a bucket and paints to create	My Bathtub obj: to use construction paper, markers and crayons to create
Skill Building	Fish In, Fish Out obj: to use fish cut outs to practice position words	Drinking Water Helps to.. obj: to share thoughts in a class discussion	Sponge Squeeze obj: to use sponges and water to strengthen fine motor skills	Bucket Matching obj: to practice matching skills using colored buckets	Bubble Blowing obj: to create bubbles by blowing air into water
Word Calendar	fish	water	pond	puddle	bathtub
PM Language & Literacy	<u>Water</u> by: Frank Asch	<u>Otters Under Water</u> by: Jim Arnosky	<u>In the Small, Small Pond</u> by: Denise Fleming	<u>Splish, Splash, Spring</u> by: Jan Carr	<u>Barnyard Bath</u> by: Sandra Boynton
PM Creations & Colors	Watercolor Fish obj: to use watercolors and paintbrushes to create	Wet Chalk Drawings obj: to use chalk and paper to create a drawing	Pond Stencil Painting obj: to use stencils and paint to create	Puddle Cutting obj: to use a pair of scissors to practice cutting skills	Muddy Texture Prints obj: to use textured brushes and paints to create
