What Will Your Panda Explore This Month in Enrichment Centers?

Math: How Many Leaves Can Fit On a Tree? The Pandas will practice counting to twenty by utilizing real leaves! The Pandas will also be able to use these colorful leaves to practice patterning, sorting, and grouping.

Science: Fall is a great time to explore the many wonders of science! We will enjoy observing the leaves as they change colors and fall, and see the weather change from warm to cold. The Pandas will also "dig in" and explore what we can find inside a pumpkin! We will feel different textures and using our five senses to explore! We will also explore items which are hot and cold while we learn about fire prevention.

Literacy: As the school year takes a turn into our autumn themes, the Pandas will continue working on their writing skills. We'll enjoy learning new vocabulary words, working on sounds of letters, and separating uppercase and lowercase letters.

Art: The Pandas will utilize a variety of art materials as well as real life item to create projects that reflect the season of autumn, Halloween, the circus, and Fire Prevention.

Five Little Pumpkins

Five little pumpkins sitting on a gate;
the first one said, "Oh my it's getting late."
The second one said, "There are witches in the air."
The third one said, "But I don't care."
The fourth one said, "Let's run and run and run."
The fifth one said, "I'm ready for some fun!"

"Woooooooo" went the wind,
And out went the lights.
And the five little pumpkins rolled out of sight.

Skeleton Hiccups!

By: Margery Cuyler

"Skeleton Hiccups is by far one of my favorite Halloween stories to read to the children. We all have a great time making the "hic-hic" sounds and singing along to all of the words. Skeleton Hiccups is so popular that we are still reading and singing the story up to Valentine's Day!"

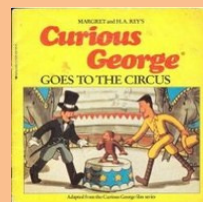

Curious George Goes to the Circus

By: H.A. Rey

"This story is very special to me because it reminds me of when I was little shnooie and I use to sit in the corner by myself and enjoyed the comforts of a good book. I enjoy sharing this childhood pastime with my students and I love to see their expressions in their face when I read this story."

Boo to You, Winnie the Pooh!

By: Bruce Talkington

"I enjoy reading the story to the children at circle time because this is a great story to read with my daughter, Valentina."
