## Circus!

The Penguins really enjoyed learning about "The Circus" this week! We learned all about the things that we see in the circus. We learned new color words for "Colorful Clowns" and tried to repeat words such as red, blue, and yellow.

We played with a "Jack in the Box" to develop our ability to listen to sounds, learn, and repeat a song. We also had a great time playing "Juggling Fun" with our colorful ball to develop our gross motor skills. Another game was called "Animals In, Animals Out." We had to throw animals like a giraffe, lion, bear, dog and monkey, in and out of the basket. This was the perfect activity to sharpen our hand-eye coordination!

We learned a new song called "Ten Little Clowns" (tune to "The Ants Go Marching One by One"). They moved their hands over their heads and tried to shake their little fingers as well.

We had some beautifully illustrated books that our teachers read to us about the circus. One was All Aboard the Circus McGurkus!, and If I Ran The Circus by Dr. Seuss. We enjoyed looking at all of the colorful photographs.

The little Penguins practiced reaching for their feet and picking up the soft toys.

Next week our theme will be "Fire Prevention."

Have a wonderful weekend!

## Parent Reminders

Please make sure that you label your child's bottles with FIRST and LAST name and date. This is a licensing requirement.

THANKS!

Please remember to sing your child IN and OUT a sign in the sheet on the door.
