

JULY 2013

The elephant's ear

**we're playing and learning and
having FUN FUFUN...**

The summer is here ☀️. The infants have a busy month of exploring ahead of them as we continue on the five developmental skills with each child.

What's new in infant room?

In June, the infant room welcomed three new students: Terelle, Patrick, and Sheldon! We are so happy to have them. Alex has outgrown our room and moved up to toddlers. We're sure he misses us but he's enjoying his new freedom and new friends! We would like to share some exciting growth development we are seeing in our classroom. Ella and Ava are both beginning to walk and Aubrey is beginning to crawl. Connor, and Neria have been pulling themselves up. We are so proud of all of them as they continue to explore their environment! Happy birthday to Ava and Ella who will be celebrating their birthdays this month.

Reminders

Please...

- Update current foods that your child is ready to eat!
- Label all foods with the date and your child's name everyday
- It is essential that each parent signs their child in and out each day

songs of the month

- **mr. sun**
oh. mr. sun. sun. mr.
golden sun.
please shine down on me.
oh mr. sun. sun. mr.
golden sun.
hiding behind a tree
These little children are
asking you
to please come out so we
can play with you.
oh mr. sun. sun. mr.
golden sun.
please shine down on.
please shine down on.
please shine down on me!

if you are happy and you know it

if you're happy and you
know it clap your hands.
if you're happy and you
know it clap your hands.
if you're happy and you
know it then your face will
surely show it:
if you're happy and you
know it clap your hands.
