What's Happening in August?

- We will explore numbers, counting shells to practice numbers 1-10 during our Creep, Crawl and Climb week!
- The Monkeys are planning on using forks as a painting tool for one of their art activities...what a unique object to use!
- We will be focusing on the concept of heavy and light to explore the concept of weight and how much an object weighs using feathers and blocks during our Down by the Pond week.
- "Paint Press" is a new art activity that we will be trying out this month...we will use construction paper, paints and our hands to fold the paper and create new designs!
- "In the Kitchen" week is one of our favorite themes and we can't wait to find hidden spoons in our sensory table filled with FLOUR!

Our Favorite Songs:

"Hot Potato"
"Teddy Bear, Teddy Bear"
"Fruit Salad...Yummy Yummy"
"Hokey Pokey"
