

# the elephant's ear

**we're playing and learning  
and having fun fun...**

☺ **Tummy Time:** we had fun talking, playing and being silly while helping to strengthen neck and leg muscles. we work hard during tummy time so the babies can learn to push up and begin to crawl.

☺ **Cars:** we explored cars! we had fun moving the cars back and forth while saying these words! not only are they learning about motion and cause and effect but they are being exposed to new words too!

☺ **Sun:** we will be using stamp pads and our little elephant's hands to create a great yellow sun...

☺ **Ornaments:** Little elephants are going to create cute ornaments for our holiday's seasons. using different colors of papers and materials: they are going to be busy all this month.

**Remember to...**

☺ **Please remember to take the babies dirty clothes home.**

☺ **All bottles and food must be labeled with the child's full name and the date.**

☺ **Please make sure we have your e-mail for our shutterfly accounts!**

☺ **If you needs any helping point please let us know!**

**BLACK SHEEP**

Baa, baa, black sheep.  
Have you any wool?  
Yes sir, yes sir,  
Three bags full.

One for my master,  
One for my dame,  
And one for the little boy  
Who lives down the lane.
