What's Happening in March?

- We will be using shaving cream and blue paint to create their cloud, during Up in the Clouds week!!
- We will be using shamrock matching to practice matching skills using shamrock pictures.
- Will be exploring with sand and glue to use finger as unique tools, while creating pigs in mud during The Works of Audrey Wood week!!
- How many bugs? To count how many bugs in the basket and monkeys while exploring the concept of estimation.
- The Monkeys will be play can you find green to identify colors while playing a game.
- Will be exploring blue water by mixing paint with water and observing changes.
