The elephant's ear

**we're playing and learning
and having fun...**

♥ **Tummy time** - 30 minutes
every day 10 minutes at the
time.

♥ **Sitting time** - we used our
upper body muscles to sit for
short periods of time while
listening to stories.

♥ ♥ **Leaf exploration** ♥
By placing different size d
autumn leaves on the floor. we
encouraged the babies to reach
and explore them using the
sense of touch.

♥ **Elephants Pumpkins Painting:**
we used different colors of
paint and glitter glue to paint
the pumpkins.

♥ **Roll over:** To get the little
elephants moving... we placed
the little pumpkins on the
floor and encouraged the
babies to reach and roll
towards them!
