

Hippo Happenings

Hippos here...Hippos there...Hippos learning everywhere

~ **The Big Red Barn** – the Hippos will explore their gluing and color identification skills by using construction paper to create a big red barn!

~ **Color bags** – the Hippos will mix colors to create new colors. We will make orange from red and yellow and green from blue and yellow by smooshing paint in sealed ziplock bags.

~ **Acorns in the jar**- we will have fun counting acorns when we put them in jar. And we will also explore sounds by shaking them in a jar.

~ **Feathers in the sensory table** – we will explore textures. The Hippos will touch feathers and feel soft and light they feel. They will also explore what happens when you blow feathers and use simple words such as “up” as they make them fly high.

~ **Ice and water** – what is colder ice or water? The Hippos will pour water in one container and put some ice in another. We will touch water and ice and talk about the differences!

Hum or Sing...it doesn't matter to me...

"Old McDonald"

**Old MacDonald had a farm, EE-I-EE-I-O.
And on that farm he had a cow, EE-I-EE-I-O.
With a moo moo here and a moo moo there
Here a moo, there a moo, everywhere
a moo moo
Old MacDonald had a farm, EE-I-EE-I-O.**

"Mary Had a Little Lamb"

**Mary had a little lamb,
little lamb, little lamb,
Mary had a little lamb,
whose fleece was white as snow.**
