What's Happening in November?

- We will be identifying colors while exploring traffic lights during transportation week!
- We will be exploring numbers by matching plastic boat to numerals!
- The Monkeys will be distinguishing sizes big and small using hats!
- We will be sorting magazines and envelopes based on their like characteristics!
- The Monkeys will use cotton balls to practice positional words. We will move them up and down as we have seen the clouds move in the sky!
- We will be using shaving cream and glue to create a 3 D cloud!
- We will be exploring water as we use our sensory table!
- We will be practicing one to one correspondence by counting matchbox cars stuck in traffic!

Our Favorite Songs:

Down by the station
Early in the morning
See the little puffer bellies all in a row
See the station Master
Turn the little handle
Puff, puff, toot toot
Off we go!

Mr. Turkey, Mr. Turkey
Run away, Run away
If You don't be careful
You will be a mouthful
